

Ph.D. Eng. Sorin Adrian BARABAȘ

Researcher, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Material science, Industrial management, Expert systems

E-mail: sorin.barabas@unitbv.ro

Eng. Inna BELYAEVA

Candidate of Technical Sciences, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Refrigeration and Commercial Equipment, Ukraine

Scientific fields: Refrigeration technology, Food systems at low temperatures, Modeling of freezing processes

E-mail: beliv@kharkov.ukrtel.net

Ec. Laura BOGDAN

Assistant professor, Ph.D. student, Department of Business Administration, Faculty of Economics and Business Administration Babeș-Bolyai University Cluj-Napoca, Romania

Scientific fields: Infrastructure development and management

E-mail: by_laura99@yahoo.com

Ph.D. Eng. Constantin BUZATU

Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Manufacturing Engineering, Romania

Scientific fields: Processing technology, Tolerances, Dimensional control

E-mail: cobuzatu@unitbv.ro

Ph.D. Eng. Mykola CHEKANOV

Associate Professor, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Energy and Physics, Ukraine

Scientific fields: Processing technology of tenderizing meat raw materials under the influence of ultrasonic waves

E-mail: chekanov_n@ukr.net

Eng. Vitaliy M. CHERVONY

Assistant Professor, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Catering Equipment, Ukraine

Scientific fields: Processing technology of fish and meat raw materials, Development of modern equipment with the use of ultrasonic treatment

E-mail: 4ervonij@datasvit.net

Ph.D. Eng. Catrina CHIVU

Associate Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Robotics, Automation, Material handling

E-mail: catrina.c@unitbv.ro

Ph.D. Eng. Cătălin-Iulian CHIVU

Assistant Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Programming, Electronics, Automation

E-mail: catalin.c@unitbv.ro

Ph.D. Eng. Andrea DEACONESCU

Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Robust system design, Databases, Communication management

E-mail: deacon@unitbv.ro

Ph.D. Eng. Tudor DEACONESCU

Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Fluidic automation, Quality engineering

E-mail: tdeacon@unitbv.ro

Ph.D. Eng. Grigory V. DEYNICHENKO

Professor, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Catering Equipment, Ukraine

Scientific fields: Processing technologies for dairy and beef raw materials; Technology of preparation of culinary products; Modern equipment with the use of nanotechnology

E-mail: DeynichenkoGV@rambler.ru

Eng. Dmitry DMITREVSKY

Ph.D. student, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Catering Equipment, Ukraine

Scientific fields: Processing technology of fruit and vegetable raw materials, Technology of preparation of food products, Modern equipment for the combination of vegetables

E-mail: dmitrevskyi@mail.ru

Ph.D. Eng. Elena EFTIMIE

Professor, Transilvania University of Brasov, Faculty of Product Design and Environment, Department of Product Design, Mechatronics and Environment, Romania

Scientific fields: Information technology, Solar radiation estimation, Building energy simulation

E-mail: eftimie@unitbv.ro

Eng. Ovidiu FILIP

Ph.D. student, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Pneumatic automation, Hydraulic automation, Computer aided design

E-mail: filip_o2002@yahoo.com

Ph.D. Eng. Adriana FOTA

Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Design and management of production systems, Integrated production systems, Flexible manufacturing systems

E-mail: fota.a@unitbv.ro

Ph.D. Eng. Irina GALIAPA

Assistant Professor, Luhansk Taras Shevchenko National University, Department of Food Technology, Ukraine

Scientific fields: Food technology and engineering

E-mail: galira23@mail.ru

Ph.D. Eng. Ec. Cătălin GHEORGHE

Lector, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Finance, Economics

E-mail: gheorghe.c@unitbv.ro

Ph.D. Eng. Dmitry V. GORELKOV

Associate Professor, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Catering Equipment, Ukraine

Scientific fields: Processing technology of fruit and vegetable raw materials, Modern equipment for the combination of vegetables

E-mail: gorelkov.dmv@gmail.com

Ph.D. Eng. Mihai IONESCU

Associate Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania

Scientific fields: Design and manufacturing of machine-tools, Sequential actuating and command of machine-tools, Ergonomics

E-mail: ionescu.m@unitbv.ro

Eng. Elena KIREEVA

Assistant Professor, Luhansk Taras Shevchenko National University, Department of Food Technology, Ukraine

Scientific fields: Food technology and engineering

E-mail: kireeva5@mail.ru

Ph.D. Eng. Dmitry KRAMARENKO

Associate Professor, Luhansk Taras Shevchenko National University, Department of Food Technology, Ukraine

Scientific fields: Food technology and engineering

E-mail: kramarenko_dp@mail.ru

Eng. Radu Mihai MAZILU

Ph.D. student, Transilvania University of Brasov, Research Department D12 - "Eco-welding technologies", Romania
Scientific fields: Industrial engineering, Welding of pipelines
E-mail: maziluradu@yahoo.com

Ph.D. Eng. Vladimir MĂRĂSCU-KLEIN

Professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania
Scientific fields: Reliability and maintenance, Industrial materials, Modeling and simulation of manufacturing systems
E-mail: klein@unitbv.ro

Ec. Monika MOGA

Ph.D. student, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Engineering and Industrial Management, Romania
Scientific fields: Management, Research and development, Economical engineering, Innovation
E-mail: moga_monika@yahoo.com

Eng. Doina NEGREA (ȚĂRLIMAN)

Ph.D. student, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania
Scientific fields: Pneumatic actuating, Grippers
E-mail: deszminabv@yahoo.com

Eng. Iulian Alexandru ORZAN

Ph.D. student, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Manufacturing Engineering, Romania
Scientific fields: Quality management, LEAN concepts, Statistics, Automation
E-mail: orzan.iulian@unitbv.ro

Ph.D. Eng. Gennady M. POSTNOV

Professor, Kharkiv State University of Food Technology and Trade, Faculty of Equipment and Technical Services, Department of Catering Equipment, Ukraine
Scientific fields: Processing technology of fish and meat raw materials, Technology of culinary products, Modern equipment using electrical processing methods
E-mail: olgen06@mail.ru

Ph.D. Eng. Flavius Aurelian SĂRBU

Assistant professor, Transilvania University of Brasov, Faculty of Technological Engineering and Industrial Management, Department of Industrial Engineering and Management, Romania
Scientific fields: Investments, International trade, Unconventional equipment
E-mail: sflavius@unitbv.ro

Ph.D. Eng. Kateryna SEFIKHANOVA

Assistant professor, Kharkiv State University of Food Technology and Trade,
Faculty of Equipment and Technical Services, Department of Catering
Equipment, Ukraine

Scientific fields: Processing technology of nonfat milk raw materials, New
technologies for products of membrane concentration for food industry

E-mail: sefihanova@yandex.ua

Ph.D. Eng. Oleg TERESHKIN

Associate professor, Kharkiv State University of Food Technology and Trade,
Faculty of Equipment and Technical Services, Department of Catering
Equipment, Ukraine

Scientific fields: Fruit and vegetable raw materials processing technology, Food
products preparation technology, Modern equipment for the combination of
vegetables

E-mail: tereshkin_09@mail.ru

Eng. Oleg YAKOVLIEV

Ph.D. student, Kerch State Marine Technological University, Technological faculty,
Department of Technology and Chemistry of Marine Products

Scientific fields: Improving the salted fish under the influence of ultrasonic waves

E-mail: yakoleg@mail.ru

Ph.D. Eng. Inna ZOLOTUKHINA

Associate professor, Kharkiv State University of Food Technology and Trade,
Faculty of Equipment and Technical Services, Department of Catering
Equipment, Ukraine

Scientific fields: Processing technology of nonfat milk raw materials, New
technologies for products of membrane concentration for food industry

E-mail: zolotukhina_i@mail.ru
